Coverage Appreciated To The Editor:

On behalf of Mrs. J. Edward Davie, Chairman of the Blood Program in the Geneva Chapter, American Red Cross, and the organization as a whole, we want to thank you all, and Bill Kagler in particular, for the splendid news coverage given the Mobile Unit visit to Geneva on June 20.

The large turnout of 153 donors was most gratifying and while we still did not reach our quota of 155 pints, this visit was the most surcessful one in two years and we feel that much of its success is due directly to your splendid cooperation.
